E-telligents

Web Developer

July 2009
–present I am the lead web designer for the E-telligents Electronic Health Records application, cEHR. I create and mark-up all the interface elements needed for the application. My focus is on usability, as well as aesthetics. In addition, I contribute to the Ruby on Rails back-end which is under active development. *e-telligents.com*

UH Manoa Philosophy Department

Webmaster / Computer Assistant

August 2008
–Nov 2009 Duties included maintaining and updating the department website which runs on Joomla, as well as being the computer technician for the entire department. *hawaii.edu/phil*
